

Central Montana Chapter  
Pheasants Forever  
908 W. Washington  
Lewistown, MT 59457

## The 19th Annual Banquet of the Central Montana Chapter of Pheasants Forever

**TUESDAY EVENING  
OCTOBER 11, 2011  
Doors open at 5:30 p.m.**

**Fergus County Trade Center  
(Fairgrounds)  
Lewistown, Montana**

Dear Member,

Thanks to the support of members like you, Pheasants Forever is making a difference for pheasants and other wildlife across the nation.

In the 20 years of our local chapter's existence, we have been making a difference by improving and creating habitat on private and public lands in central Montana. Acquisition of the Coffee Creek property north of Denton 13 years ago and the recently acquired Wolf Creek property adjacent to the Beckman Wildlife Management Area north-east of Denton provide quality upland game bird habitat on 2800 acres open to free public walk-in hunting. *(Please visit the Coffee Creek, Wolf Creek and Tongue River Displays at the banquet for a full description of the properties.)*

Thank you for your support .

Sincerely,

*Craig Roberts, Chapter President*

“The Central Montana Chapter is the consummate PF chapter. Enthusiasm, dedication and results driven, the chapter has acquired 800 acres within a complex of state land to create a 2,000-acre block of property that has an upland game bird focus. Known as the Coffee Creek project, the chapter is improving the land with winter cover tree plantings, CRP renovation for nesting habitat, food plots and travel lane development with shrubs. These actions help to make the property a true flagship for what can be done for habitat in the arid Upper Missouri Basin.” *(Excerpted from the Fall Preview 2007 issue of the Pheasants Forever Journal)*

*Pheasants Forever (PF) is dedicated to the conservation of pheasants and other wildlife through habitat improvements, public awareness, education and land management policies and programs.*
